1/ State fiscal year.

2/ Census includes all leave types.

3/ Additions include admissions, transfers, and returns from care or LWOC

4/ Discharges from all statuses; does not include placements on care or LWOC status.

5/ Deaths on resident or leave status.

6/ Readmissions as percent of total admissions

7/ Number of readmissions per 1,000 patients discharged (from all statuses) in the previous three years.

8/ Resident patients at the beginning of the year (end of prior year) plus admissions during the year.

a/ Excludes Syracuse Psychiatric Hospital in 1964 and prior years (71 resident patients and 458 admissions in 1964).

b/ In addition to 5,201 patients in "State Asylums", there were 8,818 in "County Asylums", and 385 in "County Poorhouses" totaling 14,404 patients in public civil institutions.

c/ Includes 603 patients at Ulca and 142 at Willard.

d/ Willard, which opened October 13, 1869, had no deaths in the 2 1/2 months of operation in the first fiscal year.
