2009-10

GUIDELINES TO DETERMINE WHAT FINANCIAL INFORMATION MUST BE COMPLETED

We require **signed and dated** copies of 2008 IRS tax forms, the 1040, 1040A, or 1040EZ form and **all supporting schedules and statements** for all persons supplying information on the FAFSA and the Need Access application (student, spouse, parents). These must be submitted to our office **no later than April 15th**.

Please indicate which category of financial aid you are requesting:

I AM an International student and do not have to complete the FAFSA or the Need Access Application but I will instead **complete the P&S International Student and Family Questionnaire** and the **Certification of Finances Form**.

I AM SEEKING ONLY external loans such as the Subsidized or Unsubsidized Federal Stafford, Graduate PLUS, private/alternative loans **and/or Federal Work-Study**:

- **complete the FAFSA**, student sections only. If you are **married**, your spouse's financial information is required.

I AM SEEKING SCHOOL GRANT/SCHOLARSHIP AND CU LOAN ASSISTANCE (a.k.a. "school funds"):

- **complete the FAFSA** (providing parental financial information as well as your own and your spouse's), and the **student/spouse and parent sections of the Need Access application**.
- **IF YOUR PARENTS ARE DIVORCED OR SEPARATED**, information is required from *both* of your parents and their current spouse(s).
- **IF YOU ARE MARRIED or INTEND TO MARRY DURING THE 2009-10 ACADEMIC YEAR**, your spouse's (or prospective spouse's) financial information is required.

We will assume if **you do not complete a Need Access application, you wish consideration only** for Federal Work-Study funds or external loans such as Federal Staffords, Graduate PLUS, or private loans.
